The Death of the Little Hen. Nikki Gushes. She explores the four technologies of magic: wordlessness, oneness, imagination, and forming, and states that we are at a unique place and time where we cannot only use the technologies of magic, but the magic of technology to share our art, make connections, and affect more people in a way never before possible. The technique of cluster analysis is applied to address the issue of heterogeneity of the parishes with respect to their political preferences. Wen ich dort wohl regieren kann.
