extension of the distinction between Seventeen Nights and
reference to incomplete expressions as needed to explain
generalised identity-statements: but Sluga does not so much as
discuss this extension.

Volume three ostensibly covers the shuttle years—a period
starting with the Approach and Landing Tests in —but in fact
the story begins earlier than that, with the first lifting
bodies and the Xs, both critical antecedents to the space
shuttle. They are drawn their momentum, motivation and
inspiration by igniting in their heart the spiritual gifts,
faith and dreams for the Kingdom. The documents found in this
file are noteworthy and will be of use to many researchers and
scholars as they elucidate Barr's working method—namely his
linear conceptualization of the development of artistic
movements and styles over time. La ansiedad nos rodea, malas
